Our tagging service holds a limited number of spots, each spot allows for **150 consigned items with a flat fee of \$70.00 due on or before your scheduled time slot for drop off**. The GA tagging service is a separate service provided by L'il Angels for L'il Angels Consignors; however, the fees for this exclusive service should be considered separate from the standard consignor registration fees.

If you have a specific price in mind for a large or high-ticket item, please make note of this on the item with a post-it. ● You will be contacted once your items have been placed into inventory for your review. You will have 48 hours to review pricing and make edits to pricing. After this time, the system cannot be changed after the tags are printed and placed on the items. |

- Anything baby or child related can likely be sold at this sale, but feel free to email us with any questions if you are unsure about an item!

What is the best way to group clothing items to create an item or tag?

Any clothing that you would like to sell as an outfit should be folded or pinned together in a way that makes it obvious the set should be kept together. The sizes should be the same size stated on the manufacturer tag (as an example an outfit should be a 4T top & 4T pants and 5/6 top & 5/6 pants). If your items may sell better as an outfit, we may create the set for the benefit of the consignor.

ONE Tag can include two pieces as follows:

- 2-piece outfit with 1 top & 1 bottom OR
- 2 pairs of bottoms OR
- 2 tops

ONE Tag can include:

- Up to 5 Onesies (same size)
- Up to 5 Sleepers (same size)
- Multiple socks
- Hat/Glove/Scarf set

ONE Tag can also apply for some 3-piece set exceptions similar to these examples:

- 1 vest + 1 top + 1 bottom
- 1 top + 1 bottom + 1 cardigan
- 1 dress + 1 pair bloomers + 1 cardigan
- 3pc pajamas
