

Shoe Drive

I am collecting shoes (new or used) for #shoesthespectrum. These shoes will benefit children and youth on the autism spectrum and those with special healthcare needs. You can donate boots, sneakers, flips flop, etc. Shoes of any size, men's, women's and children's are accepted but must be in pairs.

Shoes that are not accepted are roller blades, skates, ice skates or water shoes.

Your donation will help support individuals on the autism spectrum through the Lucy Rose Foundation. The shoes will stay out of a landfill and be given a second lease on life in communities all over the world as part of microenterprises.

It's a win-win-win!

Thank you!
